NOTICE

ATTENTION

**All Examiners of Madhyamik and Higher Secondary
Examinations, 2018**

For time-bound evaluation of answer scripts of Madhyamik and Higher Secondary Examinations, 2018, the Tripura Board of Secondary Education has appointed required number of our School Teachers as Examiners. The Director of Secondary Education, Government of Tripura is aware of this and has issued directives asking the teachers concerned to perform the job which is a part of their duties.

But a large number of teachers, appointed as Examiners, has deposited applications in the receive section of the Board's office asking for exemption from Examiner's duty. They are being informed hereby that mere submission of prayer for exemption from duty does not mean/ensure that they have been exempted from Examiner's duty.

It is being informed further that if any teacher appointed as Examiner does not report for duty he/she will be treated as non-performer of the duty unless he/she has been formally exempted from duty by the Board.

In public interest the matter will also be reported to the Director of School Education.
